

SUNDAY SCHOOL SCHEDULE 2011

Journey to Adulthood: J2A Curriculum Goals & Objectives

November

		Lead	Support
November 13	The Johari Window: One Way of Thinking... Goal To examine how well we are known and how we present ourselves to the world around us by using a tool called The Johari Window Objectives To look at the way personality is disclosed To assess how well we know ourselves and how well others know us To look at what motivates us to share ourselves with others	Juanita	Jay
November 20	Identity & Vocation Goal To consider how we define ourselves Objectives <ul style="list-style-type: none"> To identify each of the objections (expressed as a negative identity statement) raised by Moses, Jeremiah and Mary in response to God's call on their lives. To describe how God helped each one overcome those misgivings and respond to the call. To identify, in a story, five common ways of thinking that damage our self-concept and limit our ability to reach our full potential. To suggest ways in which knowing God's love will help us to overcome these objections. 	Brian	Phyllis
November 27	In church		

December

December 4	Using Our Talents Goal To explore our God-given talents Objectives To read the parable of the talents To see how this parable applies to our lives To identify our own talents and to see how these may be shared as holy gifts	Brian	Phyllis
December 11	Assertion: Personal Power & Self-Esteem Goal To learn the techniques of assertion Objectives To examine different methods of communication To learn the difference between Assertion and Aggression To learn how to be assertive	Juanita	Jay
December 18	In church
