

EYC News

2011 will be a great year to be in EYC at SMitF!! We are currently planning the Mission Trips for the middle schoolers and high schoolers—great opportunities to serve as Christ's hands and feet in our world. We also will participate in the Thirty Hour Famine with the youth of four other Episcopal churches (and more may still be joining us).

Wednesday nights have become a great time of community and fellowship at SMitF. Bring your homework and come join us!! If you don't have homework (Lucky!) you may find yourself in a heated card game. There is a very laid back vibe on Wednesday nights.
