

Jr. Warden report for October 2018 meeting

1. Classroom

(EYC) window:

Window installed by first bid of \$700.

2nd bid was \$800 plus window cost (app. \$300).

2. Dishwasher:

Company has not scheduled a pickup. Dishwasher has been removed and is sitting behind the parish hall out of the way. Not sure they will pick up. If no correspondence soon, we will disassemble and throw out. Open shelving has been placed in that area and has been utilized with kitchen items.

Other:

Repaired broken toilet seat in ladies' bathroom in parish hall.

Repaired organ bench (it had 3 screws, needed 12!).

Added blinds to new classroom window.

Replaced lights in church ladies' bathroom.

Repaired outside bench.

Repaired shelf in toddlers' bathroom.

Repaired right side door bottom flip lock at Church entrance.

Thanks so much,

Linda
